

How to Access Documents for Your ATEQ Devices – BC1500 or BA1500

Follow these simple steps to access the documentation related to your ATEQ device via the ATEQ Cloud Service platform.

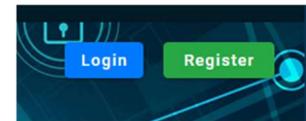

Step 1: Go to the Web Portal

Open your browser and go to: <https://acs.ateq-cloudservice.com>

Step 2: Log in or Create an Account

In the top-right corner of the homepage, you'll see options to:

- **Create an account** if you're new
- **Log in** using your existing credentials

Choose the appropriate option to access your account.

Step 3: Add Your Device to Your Account

Once logged in:

1. Click on **'My Devices' → 'Add Devices'** in the left-hand menu.
2. Select the **type of device** (BC1500 or BA1500).
3. Enter the **Part Number** and **PIN Code** of your device.
 -  Click on the **help icon** if you're unsure where to find these details.

 **Important:** Your device must be **powered on** to complete this step.

Step 4: Access Your Device Documents

After adding your device:

1. Go to **'My Devices' → 'All Devices'**.
2. Find your device in the list and click on its **Serial Number**.
 - Or, use the **search bar** to look it up by serial number.

Step 5: Download the Documentation

1. A list of available documents will appear.
2. Click the **Download icon**  next to the document you need.
 -  The download will begin automatically.
